Hi Andrea – Was this for staff or for clients? If it was for staff, I would recommend moving it up to Contract/Consulting under the direct admin costs.

It was for a meeting with Generate Health to discuss perinatal issues in Missouri. The costs were food at Panera where we met.

Hi Andrea,

It looks like you have a mental health expenditure on your QER. Would it be possible to get more information about what this expenditure is? Generally, mental health costs are not allowable A2A expenditures, so depending on what it is, it may need to be removed from the QER.

Thanks,

**Emily Kraft**

Joy,

If you have any questions please do not hesitate to ask. Joyce (our accountant) and I have never completed one of these before. We gave it our honest and best efforts.
